Telephone: 617-734-4041

### Directions from Logan Airport by Car

Coming out of Boston's Logan Airport follow signs exiting the airport to towards Boston. You will look for signs indicating rt. 1A to 93 for the Sumner Tunnel to Boston. After paying a \$3.00 toll you will go through the Sumner Tunnel (Try to stay in your right lane).

Once you exit the tunnel, you will come to a fork. Stay to the right of the fork. You will immediately come to another fork, which you will also stay to the right of. This will take you another tunnel.

Once in the tunnel, stay in your right lane and take exit #26 for Storrow Drive. (If this changes due to construction, look for signs for "Storrow Drive.") This exit will take you to an underpass that puts you on Storrow Drive. While on Storrow Drive please stay in the middle lane all the way (except when the road narrows to two lanes). As you exit the tunnel you will be on Storrow Drive.

Go about 1.7 miles. You will see the sign for Kenmore Sq./Fenway. Again, even though the exit is on the left, stay in the middle lane to exit. As soon as you exit there is a fork, stay to the right.

At the first set of lights you will take a right onto Beacon St. Travel on Beacon for 1.3 miles (note as you go through Kenmore Sq., Beacon street is the middle street exiting the square) to Saint Paul St. Turn left on Saint Paul.

Take your third right on to Stearns rd. Your first left off of Stearns is Littell Rd.

We are the fifth house on the left # 17-19.
